

Fun Activity using Computers, Tablets and Smartphones

Mary Hager MA, OTR/L, FAOTA

Webinar

August 23, 2017

Background

- Adult Learning Center
- Goals of Project
 - learn technology
 - improve fine motor skills
 - improve communication skills
 - improve social skills
 - bring together parents, students and staff

I Like Nature Because

- Students chose topic
- Find picture on computer or smart phone
- Students helped other students find pictures
- Students typed or wrote out their comments
- Students practiced their presentations
- Students made presentation at Parent Night
 - Some students used an ipad with Proloquo2Go with VoiceOver

Practicing

A man with short brown hair, wearing a grey t-shirt and blue jeans, stands in a room. He is holding a large orange folder and looking down at it. His face is obscured by a large black circle. The room has a white door, a green wall, and a wooden cabinet. A large black circle obscures his face.

Verbal Presentation

Verbal Presentation

Ipad with Proloquo2Go

Proloquo2Go

Symbol-supported communication app to promote language development and grow communication skills

Proloquo2Go runs on all iPad, iPhone, and iPod touch models that support iOS 10

Ipad with Proloquo2Go

pledge allegiance
to the Flag of the
United States of America,
and to the Republic
for which it stands,
one Nation under God,
divisible, with liberty
and justice for all.

Assisted Presentation

Conclusions

- The project was successful
- Students really enjoyed it
- Students helped other students
- Each student learned more technology
- Communication skills were improved
