

## 5-C Model of Communication

How SLPs Can Foster Collaboration and Strengthen Communication with Stakeholders

5-C  
MODEL

*The biggest problem with communication is the illusion it has taken place.*

## Learning Outcomes

**BUILD** an understanding of the core components of the 5-C Model of Communication.

**LEARN** how to use this framework when interacting with parents and colleagues.

**EXAMINE** the role effective communication plays in the team process

*Effective Communication builds trust, encourages conversations, and is the path to consensus*

## CONVERSATIONS

○ **Questions** \_\_\_\_\_

○ **Dialogues** \_\_\_\_\_

○ **Active Listening** \_\_\_\_\_

<https://www.ablenetinc.com/why-active-listening-makes-all-the-difference-for-speech-language-pathologists-on-demand-registration/>

○ **Perspective Taking** \_\_\_\_\_

## COLLABORATION

Shared

## COOPERATION

## COMPROMISE

## CONSENSUS

**Take Aways to foster collaboration and strengthen communication.**
