

Lesson Plan: Body Parts

Activity 1: Reading

Materials: Book that focuses on body parts.

Examples: *Where Is Baby's Belly Button* by Karen Katz
Toes, Ears, and Nose by Marion Dane Bauer and Karen Katz
From Head to Toe by Eric Carle
Head, Shoulders, Knees, and Toes by Skye Silver

Read aloud the book, modeling the body parts with the individual and on their AAC device. Point to pictures in the book and pause to see if they will find the body part on themselves and their AAC device independently or with minimal prompts/cues over time.

Activity 2: Play with Mr. Potato Head

Materials: Mr. Potato Head

Allow free play with pieces from Mr. Potato Head. Model the names of each body part on the AAC device. You can also model other core words including "want, help, more, on/off."

Activity 3: Movement and Song

Materials: None or look up the song online

Listen or sing the song "Head, Shoulders, Knees, and Toes" Show the individual each body part and dance together. Ask questions such as "Where is your head?" see if they can find it and use the word "head" on their device.

Data Collection:

Examples:	Data Collection
<ul style="list-style-type: none">- Client will identify body parts using their device in 8/10 opportunities.- Client will utilize targeted core words to request in 80% of opportunities.	
Goal 1:	
Goal 2:	
Goal 3:
