

SLP Success Story

Jennifer, School SLP

“

Everything went really well working with AbleNet. I've been in the field for 40 years, and I have seen a lot. I can't think of anything I would change about your process.

Jennifer, a school-based SLP, uses AbleNet to obtain insurance-funded speech devices for her students because it's the "easiest and most effective way" to fund them. What she likes most about working with AbleNet includes the speech evaluation tool, how the AbleNet team handles the communication with the insurer and family, the unlimited 5-year warranty, and the support for SLPs and device users and families.
