

Embrace Accidents - Your Speech Device Is Supported

Our ableCARE program is your one-stop resource for anything related to the operation of the QuickTalker Freestyle speech device. This program supports the device user throughout the entire five-year warranty period by providing resources and tools to ensure success.

Scan the QR code to download the free ableCARE app to your phone or

ableCARE is included with every QuickTalker Freestyle Speech Device.

ableCARE is:

- ✓ On demand support for the QuickTalker Freestyle device user - any question, any time
- ✓ The ability to change the app or device size - providing SLPs maximum flexibility
- ✓ Easy and immediate warranty and repair services
- ✓ Ongoing communication outreach to stay connected to the device user and their family or caregiver through email, phone, mail, texting, and chat - we're here to ensure their QuickTalker Freestyle is supported
